IMPORTANT INFORMATION

Dear All Concerned,

The undersigned have received various complaints from the occupants that they have been handed over the fit out letters yet the work inside their apartments (like flooring/windows glasses/ sanitary fixtures etc) is yet not completed.

It has been decided that a third party agency will be appointed soon to assess the left over apartment works, it will be assessing the left out work for such occupants and will submit the complete report. All such claims shall be accepted by the undersigned as 'other creditors' and fair treatment will be made in the RESOLUTION PLAN.

The residents may place their claims in writing to the undersigned in form C detailing the unfinished work in their respective apartment along with the value of unfinished work approved by the aforesaid agency so that the same may be taken up or compensated as per resolution plan. There is another view as well where such people may get the credit in payment of CAM charges which will be paid back by the company from buyers money. Undersigned has to take a final decision on the same which will be final.

It is important to note that only those apartment owners will be entertained for such agency verification or assessment who have cleared up all their maintenance dues as appearing on or before 30th Sept, 2019. It will not be possible for the agency to assess for those who have completed their pending work on their own.
